

NPA 58/15
SUBJECT: AP63566 Water Pump Housing
August 5, 2015

Alliant Power is pleased to announce the release of **AP63566** Water Pump Housing for the application listed in the table below. This housing has been found to develop cavitation erosion, which reduces the efficiency of the water pump.

This housing, which fits with **AP63562** Water Pump, comes with all the necessary gaskets required for installation.

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's professional technical support.
