SUBJECT: Alliant Power Diagnostic Tool Licenses and Subscriptions November 13, 2015

Alliant Power is pleased to announce the release of the Diagnostic Tool Licenses and Subscriptions for Ford®, GM®, Chrysler®, Dodge®, and Jeep® vehicles listed in the table below. **AP0112**, **AP0113**, and **AP0114** are included in the diagnostic tool kits outlined in [NPA 65/15](#), [NPA 66/15](#), [NPA 67/15](#), and [NPA 68/15](#). In addition, we are offering these separately for customers that need to renew existing equipment.

Ford and Chrysler licenses **AP0112** and **AP0113** include full diagnostic capabilities including module programming. GM subscription **AP0114** provides full diagnostic capabilities via Tech2Win and GDS2 software with the exception of module programming functions. An additional subscription of **AP0116**, **AP0117**, or **AP0118** will be required to gain GM module programming capabilities. Please see [APTB 16/15](#) for further breakdown of GM GDS2 and Tech 2 / Tech2Win supported vehicles to determine what fits your needs.
