

NOW PROUDLY PARTNERED

PROGRAM CONTACTS

If you're new and interested in signing up with Alliant Power, please reach out to our Inside Sales team, at insidesales@alliantpower.com to find out if you meet the eligibility requirements.

Web Portal:

<https://parts.alliantpower.com>

All your cross-referencing needs in one place, pricing, availability, and first option for order placement. You can also find invoices, tracking numbers, credit memos and a whole lot more. Sign in and go!

Need access? Reach out to insidesales@alliantpower.com

Ready to Place an Order:

Email: dieselparts@alliantpower.com

Phone: 800-735-7358 Option: 1

Already have a part number handy? Call or email us your account name, location, and PO# and we'll respond to you with an order confirmation. If you have an active quote, please mention your sales quote number.

Technical Support:

Email: techsupport@alliantpower.com

Phone: 800-735-9775 Option: 3

Unsure of your part number? Call or email us with a VIN and/or ESN and we'll find it for you. This group can also troubleshoot, as they have years of on-engine, fuel systems, and turbocharger experience.

Warranty Support:

Submit Claim: <https://support.alliantpower.com/>

Email: warranty@alliantpower.com

Phone: 800-735-7358 Option: 4

Have a claim number but don't know the status? This is the place to start. No warranty claim process is fun, but we want to make it as painless as possible. Use the team to stay informed if your claim status on the website isn't sufficient.

Parts Sourcing:

Email: partssales@alliantpower.com

Phone: 800-735-7358 Option: 7

You have a personal connection inside for anything regarding parts sourcing or additional sales support. These guys are excellent resources and will respond quickly to your needs. These are our hunters for hard-to-find parts!

Fuel Injection Shop:

Phone: 800-735-7358 Option: 2-1

Testing and Repair Services of Fuel Injection pumps, injections, and fuel injection components.
