

INTRODUCING INDUSTRY-FIRST 3-YEAR WARRANTY

On Alliant Power Complete Fuel Contamination Kits*

Effective August 01, 2025

THE TOTAL PACKAGE just got even better. We are now extending our warranty coverage on our most popular complete fuel contamination kits from 2-year to an industry-first 3-year!

Why This Matters:

- More coverage; more confidence in product quality
- Protect your investment with greater peace of mind
- Commitment to customer satisfaction

What's Covered:

- All fuel system components in the kit
- Materials and workmanship defects
- Unlimited mileage/hours protection

What Makes This Warranty Special:

This industry-first 3-year warranty demonstrates our unwavering confidence in the quality and durability of our fuel contamination kits. While competitors offer standard 2-year warranty coverage; we're setting a new standard because we believe in providing products that last, giving you and your customers greater peace of mind.

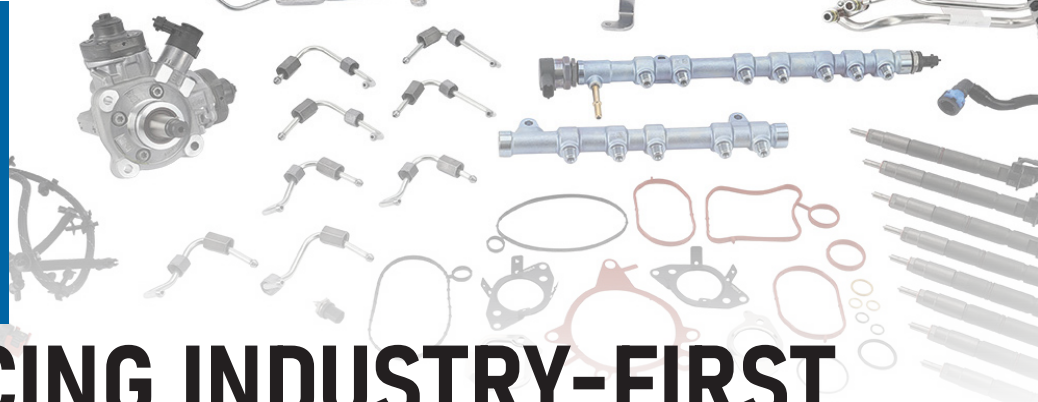

Ford - GM - Cummins - Bobcat - Deutz
