

ALLIANT POWER BRAND WARRANTY QUALIFYING PRODUCTS

Revised August 2025

Alliant Power offers a warranty that goes above and beyond our standard best-in-class 24-month, unlimited mileage warranty. For a list of qualifying products see the table below.

Alliant Power Brand Warranty Qualifying Products ¹		
Alliant Power product	24-month, unlimited miles guaranteed acceptance part only	36-month, unlimited miles parts & labor
Remanufactured Fuel Injectors	√	
Remanufactured High-Pressure Fuel Pumps	√	
Remanufactured Fuel Control Units	√	
Remanufactured Oil Pumps	√	
New Fuel Injectors		√
Complete Fuel Contamination Kits ²		√

¹ All other products are subject to Alliant Power's standard 24-month, unlimited mileage parts warranty.

If returning a full set or bank of injectors, diagnostic information is requested.

² For a list of qualifying contamination kits, please refer to the specific [3-Year Warranty Complete Fuel Contamination Kit Coverage List](#). In the event of a component failure within a kit, only the failed component will be replaced. The standard Alliant Power component warranty will apply to any replacement part, separate from the original kit's warranty.
